ABOUT THE FELLOWSHIP

An initiative by GRAAM and HSF, the Youth for Governance Fellowship, Mysuru, 2025, aims to empower young people to become active participants in the governance process. Through capacity-building trainings, exposure visits, and mentoring, the fellowship provides the necessary skills, knowledge, and experience to become effective change-makers in their respective communities.

Join us! “To be the change and drive progress”

ELIGIBILITY CRITERIA

- Age between 18 and 25
- Citizens of India and residents of Mysuru
- Pursuing or having a Bachelor's degree

What do our Aluminis say

S Yaraswini , JSS Law Colege

“The Youth for Governance Fellowship was a transformative experience. Over six months, I gained leadership skills, explored grassroots governance, and deepened my sense of social responsibility. Collaborating with peers and mentors created lasting memories, making this journey both enriching and impactful.

Amogh MU, VVIET.

“The Youth for Governance Fellowship, offers invaluable insights and opportunities for young individuals. This program is designed to empower participants to grow not just as individuals, but as impactful leaders dedicated to building a better society. I am deeply grateful for the opportunity to be part of this fellowship and sincerely thank everyone who made this possible.

Words of motivation

HH Shri Yaduveer Wadiyar

“The fellowship program and the youth engagement journey facilitated by GRAAM is an apt platform for students to augment knowledge and solve urban governance issues”

Foundation**

The HSF, founded in 1967, is a German political foundation working in the service of "Democracy, Peace and Development" as well as international cooperation. At present, the foundation is engaged in the implementation of over 80 projects across 50 countries worldwide. HSF has been working in India for over 25 years in collaboration with local partners, providing support for capacity-building measures and national and international policy dialogues with the aim of effectively localising and achieving SDGs

A leading social sector think tank, GRAAM empowers individuals and institutions across the nation through its research, community engagement, and public policy initiatives. It strives to build collaborative learning communities for citizen-centric public policy and governance.
